Nominal Start Time: 2:00 PM

(Reports Based on Actual Lap Times)

4th Place in "new" car

Comments:

First race in our "new" car #110 on a 67 mile/lap, 7 lap race. Rich and Jim did an excellent job driving, except that Rich tried to find another rock. Had a flat on lap 2 with minimal downtime. Only 1 5 1/2 minute pit stop after lap 3 to add about 45 gal of fuel, change drivers from Rich to Jim, and also changed 1 tire. The ride was hard for Rich and Jim and especially rough for "iron man" Garrett who rode shotgun for the entire 10 hours.
